Junior-Senior Play

"APRON-STRING REVOLT"

The Juniors and Seniors chose for their annual production a three-act comedy entitled "Apron-String Revolt." The cast was made up almost entirely of people who had had no previous Junior-Senior play experience, Marjorie Fox being the only one who had appeared in a previous play. However, the play maintained its usual high standard and the audience which filled the Lyric Theatre February 23 received the students' efforts with genuine enthusiasm. The large number of Juniors in the cast is encouraging for next year's play.

OFFICERS

Advisor	Mr. Lillie

The Junior Ikes of 1939 earnestly attempted to follow the aim of the club; promote good fellowship; promote true and honest sportsmanship; give intelligent service to projects which improve outdoor life.

In carrying out this aim, the Ikes had a number of parties among themselves and several with other clubs. The boys also put on the traditional Hunt Club Dance which was very successful. Club members sold National Wildlife Stamps as an outstanding contribution to wildlife betterment.

Fourteen new members were initiated into the club, the club constitution was revised, and the Bronze Moosehead was adopted as the official insignia of the Junior Ikes. All in all, 1939 was a highly successful year.

Vice President	Anna Marie Hector
Secretary	Shirley Hagenbuch

Advisors	Miss Brandenburg, Mrs. Zboch, Miss Hansen

The Girl Reserves were divided into nine groups this year, replacing the customary cabinet of previous years. Each group was put in charge of the club's activities for one month. In this way, it was felt that each individual would become more responsible and would have a real share in the activities of the organization.

During the fall and winter the club held various skating parties, picnics, and suppers, the latter being held in the Y. M. C. A.

Hi-Y Club

OFFICERS

President	Victor Lawson
Vice President	Raymond Davenport
Secretary	Varge Frisbie
Treasurer	Clyde Ewing
Leader	Mr. Meisel

This year's Hi-Y Club has held regular meetings every Wednesday night at the Y. M. C. A. About once a month the boys held a banquet at which local and out-of-town speakers addressed the club on subjects of interest.

The Club has been very active and, as usual, performed many services to the school and community. Hi-Y members cooperated in such activities as the snow trains, Thanksgiving baskets, ushering at assembly programs, and organizing bus trips to Caberfae park for winter sports.

Art Club

OFFICERS

President	Francis Ashley
Vice President	Alfred Foster
Secretary-Treasurer	Wanda Yaunt
Advisor	Miss Harrington

The objective of the Art Club is primarily to promote a greater art interest among the students. It urges each student to do his part in every way to beautify the high school. This marks the first year of its existence.

A much needed assembly curtain was one of the most outstanding projects obtained through the efforts of the Art Club.

We feel greatly indebted to our advisor, Miss Harrington, for the excellent guidance she has shown us throughout the year, and we wish success for the Art Club of 1940.

Top Row: Rhoda Anderson, Virginia Anderson, Elizabeth Andrews, Betty Beals, Margaret Burch, Margaret Cardinal, Marjorie Carlson.

The Recreators began their successful year with an amendment to the constitution. This amendment determines the manner in which girls may become members of the Club.

Turkey Trot and the annual Damzel Drag, the Belle Hop, were sponsored as two important dances of the year.

Suppers, skating parties and other get-togethers were held. Among these, a joint party of the Junior Ikes, Girl Reserves and Hi-Y was enjoyed.

The Recreators were hostesses for a play-day given for girls of near-by towns.

Girls who had fulfilled the requirements received letters at a breakfast party.

Track 1938

The 1937-38 Viking track season was a success, although the Vikings placed second to the Packers of Fremont in the Regional Meet. Competition throughout the season showed the Vikings to be the best of the Northern B Conference.

Two school records were broken by the Viking thinclads. Dale Gailey set a new mark in the pole vault when he cleared the bar at eleven feet. Carl Rauch proved to be the real star of the season, establishing a new school record each time he ran the high mile. Rauch has the distinction of never being defeated in a high school race. He won his race in the State Meet in the fine time of 2:2.3 which broke the Cadillac record of 2:10 established by Earl Garn in 1932.

Top Row: Stanley Kwillnski, Harold Fulk, Harold Cook, Robert Payne, Andrew Johnson, Robert Houston, Richard Dakin, James Comp, Roland Ulander, Harold Wicklund, Carl Gustafson.

 Bottom Row: Roger Corcoran, Howard Wilson, Robert Fortney, Carl Lundgren, Howard Laurent—Captain, Keith Pickle, William Bourassa, Robert Stewart, James Lawson, Clyde Ewing.

Football

The opening days of 1938 football season found the Cadillac organization in fine shape to take on their old rivals. The first call for football material brought out more than seventy men; some of them veterans of last season and some very new and green, filled with school spirit. Because of light material, Coach Bryan had to center his efforts on speed and aerial work. On many occasions during the season Cadillac outclassed their opponents in this manner of play.

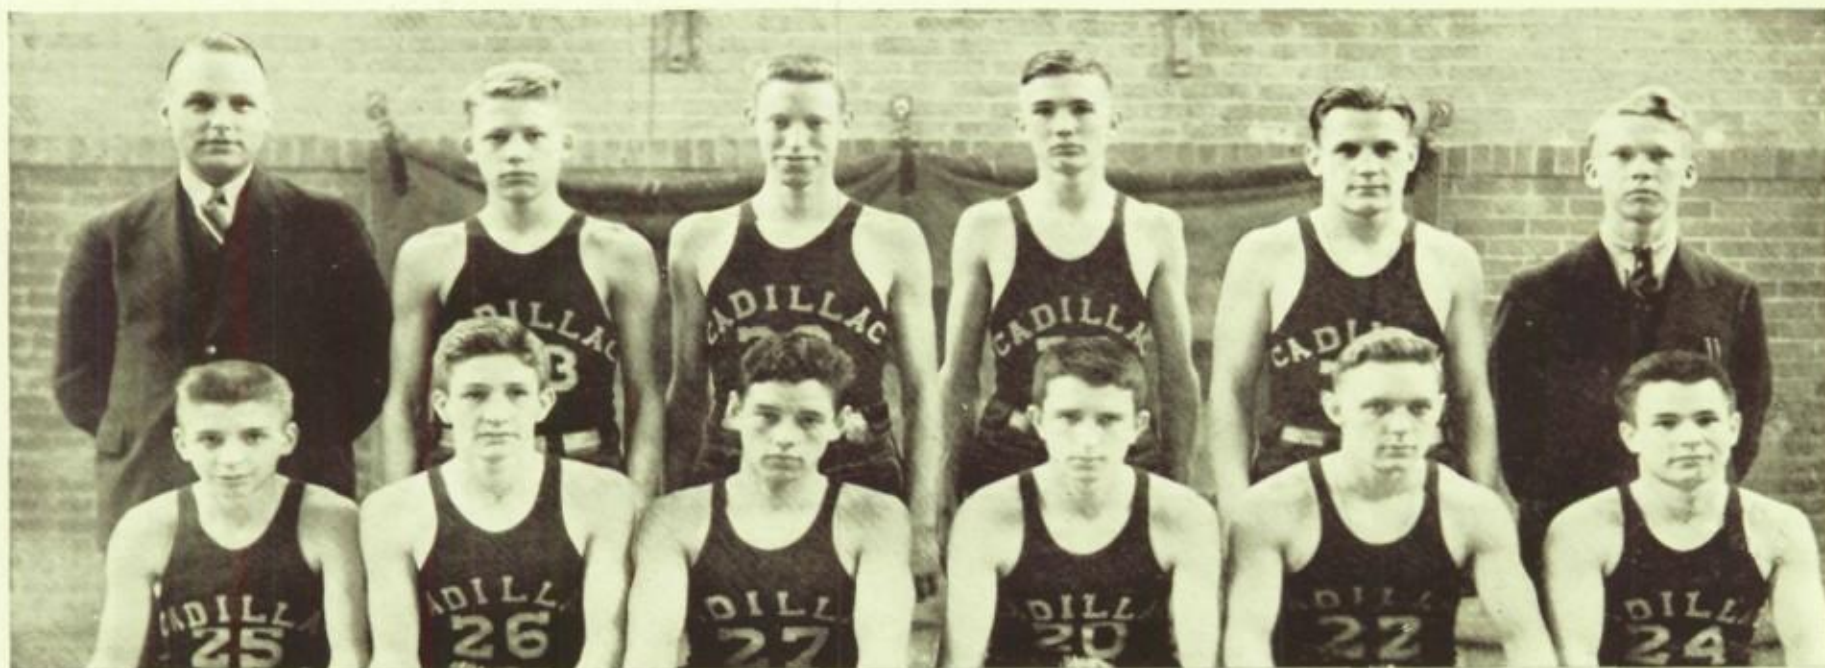

The season proved a successful one; the varsity winning five and tying one of eight games played. Playing defensive ball the Vikings heavily outscored Cheboygan and Petoskey, two very strong opponents. The Vikings presented the highest calibre of football they ever played when they met with the Trojans of Traverse City on a misty, dreary night and held them to a scoreless tie.

Throughout the season Cadillac was noted for its fast charging line and defensive play.

After the last game, Howard Laurent was elected honorary Captain for the past season.

The Season's Record:

Cadillac	28	Lake City	6
Cadillac	14	Cheboygan	0
Cadillac	0	Alpena	30
Cadillac	0	Ludington	39
Cadillac	0	Traverse City	0
Cadillac	28	Manistee	13
Cadillac	25	Petoskey	0
Cadillac	20	Big Rapids	7

Top Row: Coach D. D. Bryan, Haddon Anderson, Robert Davis, Wallace Anderson, Howard Laurent, Robert Osterlund—Student Manager.
Bottom Row: Gaylord Hill, Frank Smith, Lawrence Martin, Harold Van Wieren, Victor Lawson, Roger Corcoran.

Basketball

Basketball of 1938-39 from the angle of games won and lost was not very successful and yet it is doubtful if there is any other school team in existence having such numerous barriers confronting them, and still showing the excellent sportsmanship as did our Vikings this season.

Fifteen games were played during the season, eight of which were conference games. Clean, fast, enjoyable ball prevailed at every contest but defeats at the hands of the Alpena, Petoskey, Ludington, Manistee, and Traverse fighters left Cadillac at the bottom of the Big Six Conference race.

Captain Lawson, Van Wieren, Smith, and Laurent are the only seniors on the squad which leaves seven lettermen for next year.
